

Dear Parents and Carers

Welcome to the first of what will be a weekly email from now until the end of term.

We are currently in the process of speaking to all the Year 6 teachers and gathering as much information as we can about your sons and daughters. This is invaluable and helps us start to get to know the students and be able to support them as they move from Year 6 to Year 7 to ensure that your child has as smooth a transition into secondary as possible.

Primary schools will be focusing on getting students 'secondary school ready', which will be about developing their confidence and social skills. We will then build on this when they come to us for their Induction Day on the 2nd of July and when they start with us in September.

Over the coming weeks we will share lots of information about the transition process and look forward to welcoming you to the Imberhorne School community.

On the Transition page of the website, you can find answers to some frequently asked questions. If you have a question that is not answered by our website, then please contact us and we will direct it to the most relevant person to assist you.
